Tuition Policies: Full tuition will be charged if your child attends one or more days. During each enrollment year (beginning on the date that your child begins attending), your account will be allotted two half-price tuition weeks if your child is absent for the entire week. We do not prorate tuition. If the center is closed for a holiday or weather conditions full tuition is due for that week.

Vacation Time: After one full year in the center, each full-time family is allowed one-week vacation time per year. Vacation time may not be split into days: it must be utilized as one full, consecutive week. Your child will not be permitted to attend the center during this week.

Notices: A two week written notice is required if you wish to disenroll your child for any reason.
